Experiment 2
Aim : To Implement Images & Icons in Flutter.

```dart
import 'package:flutter/material.dart';
import 'login_page.dart';
import 'home_page.dart';

void main() {
  runApp(MyApp());
}

class MyApp extends StatelessWidget {
  @override
  Widget build(BuildContext context) {
    return MaterialApp(
      title: 'Placement Portal',
      theme: ThemeData(
        primarySwatch: Colors.blue,
        primaryColor: Color(0xFF2196F3),
        secondaryHeaderColor: Color(0xFF1976D2),
        scaffoldBackgroundColor: Colors.grey[100],
        elevatedButtonTheme: ElevatedButtonThemeData(
          style: ElevatedButton.styleFrom(
            padding: EdgeInsets.symmetric(horizontal: 32, vertical: 16),
            shape: RoundedRectangleBorder(
              borderRadius: BorderRadius.circular(30),
            ),
          ),
        ),
      ),
      initialRoute: '/',
      routes: {
        '/': (context) => WelcomePage(),
        '/login': (context) => LoginPage(),
        '/home': (context) => HomePage(),
      },
    );
  }
}

class WelcomePage extends StatelessWidget {
  @override
```

```dart
Widget build(BuildContext context) {
  return Scaffold(
    body: Container(
      decoration: BoxDecoration(
        gradient: LinearGradient(
          begin: Alignment.topCenter,
          end: Alignment.bottomCenter,
          colors: [Colors.blue[400]!, Colors.blue[800]!],
        ),
      ),
      child: SafeArea(
        child: Center(
          child: Padding(
            padding: EdgeInsets.all(24.0),
            child: Column(
              mainAxisAlignment: MainAxisAlignment.center,
              children: <Widget>[
                Icon(
                  Icons.school,
                  size: 80,
                  color: Colors.white,
                ),
                SizedBox(height: 24),
                Text(
                  'Welcome to\nPlacement Portal',
                  textAlign: TextAlign.center,
                  style: TextStyle(
                    fontSize: 32,
                    fontWeight: FontWeight.bold,
                    color: Colors.white,
                    height: 1.2,
                  ),
                ),
                SizedBox(height: 16),
                Text(
                  'Your Gateway to Career Opportunities',
                  style: TextStyle(
                    fontSize: 16,
                    color: Colors.white.withOpacity(0.9),
                  ),
                ),
                SizedBox(height: 48),
                ElevatedButton(
                  onPressed: () {
```

```
              Navigator.pushNamed(context, '/login');
            },
          style: ElevatedButton.styleFrom(
            backgroundColor: Colors.white,
            foregroundColor: Colors.blue[800],
            minimumSize: Size(250, 50),
          ),
          child: Text(
            'Get Started',
            style: TextStyle(fontSize: 18),
          ),
        ),
      ],
    ),
  ),
 ),
),
```
